SECTION 1: ADMINISTRATION

Article A: DESIGNATION OF DEPUTY POLICE CHIEF EMPLOYEES

The Deputy Police Chief employees are in the Deputy Police Chief Resolution. Deputy Police Chief employees are appointed, supervisory employees as defined in Nevada Revised Statutes (NRS) 288.075. Deputy Police Chief employees are subject to the rights and prohibitions provided in NRS 288.140.

Article B: CONTROLLING RESOLUTION

Upon this Resolution becoming effective, it shall control all terms of employment of Deputy Police Chiefs.

Benefits provided under this Resolution shall not be revised unless notice is given to all covered employees and opportunity is provided to meet and confer with the City Manager or his designee with the right to appeal to the City Council.

Article C: EFFECTIVE DATE

This Resolution shall be effective as of July 1, 2025, and shall continue in force until June 30, 2027, except as otherwise provided herein, or until a successor Resolution has been approved by City Council. The retroactive provisions of this resolution are only applicable to those employees who are employed on the ratification date of the agreement.

Article D: GRIEVANCE PROCEDURE

1. **Purpose:** The purpose of the following grievance procedure shall be to settle as quickly as possible disputes concerning the interpretation and application of this City of Sparks Pay Resolution and other City policies adopted in the same manner as this City of Sparks Pay Resolution. City Administration may allow an aggrieved employee to employ this procedure in those areas listed in Section 288.150, Paragraph 2, "a" through "f" of the Nevada Revised Statutes.
2. **Procedure:** The aggrieved employee shall take up the grievance with the Police Chief within five (5) working days of its occurrence. The Police Chief shall attempt to adjust the matter at that time. If the grievance is not settled during informal discussions within ten (10) working days of its occurrence and the employee wishes to appeal the matter, within two (2) working days the employee shall re-present it in writing to the Police Chief. The Police Chief shall respond to the employee or the employee's representative in writing within three (3) working days thereafter.
3. Within five (5) working days of the Police Chief's written reply, the employee or representative may appeal the grievance in writing to the City Manager, accompanied by all correspondence on the matter. The City Manager, after an examination of all relevant evidence and after consultation with the aggrieved employee or representative, will then make a written determination to the employee within fifteen (15) working days after the grievance presentation with an information copy to the Police Chief. In the event the City's time frames have not been met in this procedure, the grievance shall be automatically moved to the next step as if the grievance was denied; however, the individual at such step will provide a response to the grievance within ten (10) working days after the missed deadline.

If the employee so wishes, the aggrieved employee may be accompanied by one (1) person of the employee's choosing at any time and at each stage of the grievance procedure subsequent to the informal discussion with the Police Chief.

Article E: SAFETY GRIEVANCE PROCEDURE

1. An Employee shall immediately bring the matter to the attention of the Police Chief. If the Police Chief does not take immediate steps to remedy the unsafe condition, the Employee may file a written "safety" grievance with the Police Chief.
2. The Police Chief will respond to the grievance within twenty-four (24) hours of the time the written grievance is filed.

3. If the written response of the Police Chief is unsatisfactory, the Employee may present the grievance to the City Manager within twenty-four (24) hours. The City Manager will review the alleged unsafe condition and will make the final decision on the grievance within twenty-four (24) hours of receiving the grievance.
4. Copies of the safety grievance and the responses at all levels will be provided to the appropriate Safety Committee.

Article F: BASIC WORK WEEK

Employees covered by this Resolution, as defined by the Fair Labor Standards Act (FLSA), shall be compensated on an annual rate basis and shall not be entitled to night differential pay, overtime pay, and holiday pay. Employees covered by this Resolution may work an alternative work schedule, such as four ten (4/10) hour days with the approval of the Police Chief.

Article G: CLASSIFIED (CIVIL SERVICE) POSITIONS

Employees hired under this Resolution are deemed "Appointed."

Article H: DISCIPLINARY PROCEDURES

Effective on ratification and approval, no post-probationary employee will be disciplined or discharged without just cause.

Article I: LAY-OFF PROCEDURES

Layoffs of employees covered under this Resolution will be completed consistent with the City Charter regarding "Appointed" employees. Layoffs of employees in Appointed Positions will not be subject to the layoff provisions of Civil Service.

SECTION 2: PAY

Article A: PAY RATES

1. **Pay Rates:** The pay rates set forth in Appendix A are base pay rates. No employee shall be paid at a rate above the maximum or below the minimum in the range to which the position class is assigned.
3. **General Wage Increase 2026:** Effective the first full pay period on or after July 1, 2026, the pay range listed in Appendix A shall be increased by one percent (1.0%).
4. **Salary Differential**

In the event that the difference between the maximum base pay rate for a police lieutenant and the minimum base pay rate for a deputy police chief is less than ten percent (10.0%), the pay range for deputy police chief shall automatically be adjusted upward such that the difference is equal to ten percent (10.0%), rounded up to the nearest one cent (\$0.01).

5. **Pay Periods:** Each two (2) week period shall constitute a pay period. The pay period shall commence on Monday at 12:00 a.m. and end on Sunday at 11:59 p.m. The dates of payment shall be established by the City.
6. **Work Week:** Each work week shall commence on Monday at 12:00 a.m. and end on Sunday at 11:59 p.m. Employees covered by this Resolution may work an alternative work schedule, with the approval of the Police Chief.
7. **Initial Appointment:** An employee shall receive compensation at the minimum of the salary range for the position in which the employee was hired. When economic conditions, unusual employment conditions or exceptional qualifications of a candidate for employment indicate that a higher hiring rate would be in the City's best interests, the Human Resources Director may authorize hiring at a higher step in the Salary Schedule, higher than the minimum of the range, upon the request of the Police Chief.

8. **Demotions:** An employee covered by this Resolution shall be given fifteen (15) day's notice before a demotion is effective. The employee shall be entitled to grieve the anticipated demotion in accordance with Section 1, Article D of this Resolution. Any final action concerning the demotion will be stayed pending the outcome of the employee's grievance. When an employee is demoted, the pay rate shall be the same percentage from the top of the range within the range of the position in which the employee was demoted.
9. **Reduction of Pay:** The Police Chief, with the approval of the City Manager, may reduce an employee from any increment of the salary range, other than the first increment, to any appropriate lower increment of the salary range, upon failure of the employee to maintain the standard of work set forth for the increment of the salary range upon which the employee has been placed. In such event, the employee may again be raised by the Police Chief, with the approval of the City Manager, to any increment not higher than that from which the employee was reduced without any time requirement or other consent should, in the opinion of the Police Chief, the employee's standard of service be reestablished.
10. **Full-Time Service:** For the purposes of determining eligibility for merit advancements and accrual of benefits, the term "Full-Time Service" shall mean the number of days actually worked on a job including all absences with pay. Leave of absence without pay shall not be credited as Full-Time Service.
11. **Exempt Employee:** A Deputy Police Chief is an exempt employee under FLSA.
12. **Special Pay Considerations:** In special circumstances, and with City Manager and Police Chief approval, an employee may choose to reduce their individual pay rate, waive payment of bonus, or other pay considerations. These reductions are voluntary, and will require the submission of a written request, effective for the Fiscal Year of the request only.
13. **Voluntary Time Off:** In special circumstances, and with City Manager and Police Chief approval, an employee may choose to take up to four (4) weeks unpaid time off per fiscal year. During this period, the employee's benefits will remain in force, with all applicable accruals. This unpaid time off is not considered a Leave of Absence as outlined in Section 14.
14. **Voluntary Pay or Benefit Reduction:** Should an employee voluntarily make a reduction in pay, benefits, or hours worked as outlined in numbers 9 and 10 above, the City Manager may make non-monetary considerations for the benefit of such employees.
15. **Probation:** Should an employee fail to successfully complete the initial probationary period, or during the initial probationary period voluntarily choose to step back, the employee will be placed into the position immediately preceding promotion, or if the same position is not available, then an equivalent position.

Article B: MERIT ADVANCEMENTS

1. **Probationary Period:** All original and promotional appointments of persons to vacant positions will be made subject to a probationary period of at least six (6) months, not to exceed one (1) year. An employee shall not receive any pay increases while in probationary status, other than job classification pay rate adjustments authorized by the City Council. The employee shall thereupon be eligible for a salary increase. The Police Chief may, however, extend the probationary period of any probationary employee. An employee shall not receive any pay increases while in probationary status, other than job classification pay rate adjustments authorized by the City Council.
2. **Merit Increases:** Each employee who has not reached the maximum of the salary range shall be eligible for a merit pay increase, contingent upon the employee's level of job performance, on the anniversary date for that employee. An employee who may otherwise be eligible for a merit increase, but who was denied such an increase on the anniversary date, shall be eligible for review at the discretion of the Police Chief for a merit salary increase at any subsequent time during the next twelve (12) months.

Article C: EDUCATION INCENTIVE

Any employee earning a Master's Degree in Business Administration, Law Enforcement, Criminal Justice, Public Administration, Psychology, Sociology, Political Science, or Administration of Justice or related field receiving prior

approval of the Police Chief the Human Resources Director from any accredited college shall be entitled to receive additional payment in the amount of ten percent (10%) of base pay, payable biweekly.

Article D: ACTING POLICE CHIEF COMPENSATION

Any Deputy Police Chief may be temporarily assigned to serve in an acting capacity in a position allocated to a higher pay range than that in which the employee is employed. Such an employee shall be termed an "Acting Temporary" employee.

1. **Acting Temporary:** An employee covered by this Resolution who has been temporarily assigned by the Police Chief to serve in an acting capacity shall receive the minimum pay rate for the new position class, or a five percent (5%) salary increase, whichever is higher, for the temporary time only, not to exceed the maximum of the range for the position assigned. The higher rate of pay will be for no less than four (4) hours per shift. Upon termination in the Acting Temporary position, the employee shall return to the position and the pay range from which the employee was temporarily assigned.
2. **Long-Term Acting Temporary Assignment:** If an employee is assigned to a long-term acting temporary assignment for thirty (30) or more consecutive calendar days, beginning with the thirty-first (31st) calendar day, the employee shall receive compensation ten percent (10%) greater than the employee's regular salary or the bottom of the acting position's pay range, whichever is greater, not to exceed the maximum of the range for the position assigned. "Consecutive calendar days" are defined by the assignment, not the employee's attendance. Approved leave days taken during the first thirty (30) consecutive calendar days will not affect the assignment. The ten percent (10%) rate for the long-term acting temporary assignment compensation is for hours in the long-term acting temporary assignment after the assigned thirty-first (31st) calendar day.
3. **Acting Police Chief:** An employee covered by this Resolution who is assigned as a Police Chief between the incumbent's resignation and the hiring of a new Chief or during extended absences as approved by the City Manager shall be appointed acting Police Chief and be paid an additional ten percent (10%) over the employee's base salary or the minimum step of the salary range for the Police Chief, whichever is greater. The City Manager may also assign additional benefits, up to but not greater than benefits afforded the Police Chief to the Acting Police Chief at his discretion.
4. **Long-Term Acting Promotions:** Should the long-term acting employee be promoted into the position for which they are in a long-term role, the employee will receive no reduction of pay upon promotion, but will retain the ten percent (10%) pay. Employees subject to the ten percent (10%) promotion from long-term acting will not receive a probationary five percent (5%) increase in pay.

Article E: EMPLOYEE LONGEVITY PAY

1. **Eligibility:** All Employees who have completed five (5) full years of service with the City, with each year being computed on the 16th day of November, shall be entitled to longevity pay in addition to regular pay and benefits.
2. **Amount of Longevity Pay:** Effective the first full pay period following July 1, 2025, longevity pay shall be calculated based on years of service according to the following chart:

Years	Longevity	Years	Longevity
5	\$2,750	13	\$5,150
6	\$3,000	14	\$5,500
7	\$3,250	15	\$8,000
8	\$3,500	16	\$8,500
9	\$3,750	17	\$9,000
10	\$4,100	18	\$9,500
11	\$4,450	19	\$10,000
12	\$4,800	20	\$10,500
21 Years or more		\$11,000	

In the event that police lieutenants receive a higher longevity payment than that reflected in this Article, the longevity payment for deputy police chiefs shall automatically increase to match the higher amount.

3. Computation and Payment of Longevity Pay: The Longevity Pay shall be computed from the longevity date through November 16th of the year being paid. For purposes of computation, a longevity date prior to the sixteenth (16th) of a month shall cause that month to be counted as a month of employment.

Longevity Pay for all eligible employees shall be paid no later than the Wednesday immediately prior to Thanksgiving.

4. Creditable Service for Longevity Computation: All periods of classified or appointed full-time employment with the City of Sparks shall be considered as creditable service for the purpose of computing longevity eligibility.

Temporary service will be credited only after the employee has been granted regular status. Any period in which an employee was, while employed by the City of Sparks, called into the active military service of the United States Armed Forces, involuntarily, will be considered as creditable service for computation of Longevity Pay.

5. Non-Creditable Service for Longevity Computation: The following shall be deducted from creditable service time for computation of Longevity Pay:

- a. Any periods that an employee is on unpaid leave of absence.
- b. Service while in the Auxiliary Police Force of the City of Sparks.
- c. Periods of service in the active military services of the United States Armed Forces in which the employee enlisted voluntarily for active service, other than periods of war time or national emergency.

6. Payment of Longevity Pay upon Termination: An eligible employee shall be paid Longevity Pay upon termination of employment with the City. Payment will be made for each complete month between the preceding December 1st and the termination date as stated in Paragraph 2 of this Article.

Longevity will not be prorated upon termination or death following January 1 of each year. If the employee terminates following Longevity payment in November through December 31 of the same year, no longevity is payable.

7. Death of Employee: Upon the death of an employee presently on the employment records of this City, one-hundred percent (100%) of Longevity Pay shall be paid to the employee's beneficiaries or estate.

Article F: CLOTHING AND PERSONAL ITEM ALLOWANCE

1. Uniform Allowance: Deputy Police Chief employees who are required to maintain uniforms shall be paid uniform allowance for the proper maintenance of uniforms.

- a. The allowance shall be twenty dollars (\$20.00) per week computed from Monday 12:00 a.m. through Sunday at 11:59 p.m. All uniform allowance shall be payable biweekly with the employee's regular pay for the pay period. Uniform allowance shall not be paid to employees who are on leave without pay status, commencing with the first full pay period of absence.

2. Uniform Replacement: Any uniform, clothing, or equipment as required by the Police Department manual that is lost or damaged during duty hours shall be replaced by the City with uniforms or other clothing of the same brand or a substantially similar brand if the brand is unavailable. Any request for lost or damaged clothing, uniform, or equipment payable according to the provisions of this Article shall be made only upon request of the Police Chief after review by the Police Chief for the purpose of determining if the uniform, clothing, or equipment was lost or damaged by the employee while performing employment duties, not as a result of the employee's own negligence. Should the City require a complete change of uniform, including different types of both shirts and trousers or either shirts or trousers, the City shall pay employees for the number of uniforms in employee's possession when there is a change of uniforms, provided, however, the employee produces the

old uniforms. Both parties will cooperate with the other to obtain the lowest possible price for any uniforms to be paid for by the City.

3. Watches, Cellular Phones, and Eyeglasses: The City agrees to reimburse employees to a maximum of one-hundred, fifty dollars (\$150.00) for each incident for each pair of eyeglasses frames and cellular phones, and the actual cost of prescription lenses, and seventy-five (\$75.00) for each watch which is lost, damaged or destroyed while performing job related duties, as certified by the Police Chief. If an employee has a City issued cell phone, the reimbursement for cell phone will not apply.

Article G: AUTO ALLOWANCE

The City Manager is authorized to designate specific employees covered under this resolution to receive an auto allowance. This rate will be reviewed and adjusted by the I.R.S. published increase or decrease in allowable expense, effective the first complete pay period of July each year. The City, upon approval of this Resolution, shall pay auto allowance to any employee so designated by the City Manager. The City Manager may, as auto travel requirements change for any position, add or remove designated employees to receive an auto allowance. If the auto allowance designation is removed for an employee, the auto allowance payment will continue for a period of ninety (90) days following the removal of such designation. Employees receiving an auto allowance are not entitled to use of a City vehicle unless authorized in advance by the City Manager.

The City Manager may, with the approval of the Police Chief, at the request of an employee covered under this Resolution designate employees to utilize a City owned vehicle for city business. Employees so designated shall be permitted to take the vehicle home for after hour's meetings or for emergency response. Employees designated to receive this option shall not be entitled to an Auto Allowance.

Article H: CELL PHONE

The Police Chief may approve the issuance of a City cellular phone to the employee based on the City's business need.

ARTICLE I: BILINGUAL PAY

Bilingual status shall only be for designated positions. The final decision as to the designation of bilingual status will be made by the Human Resources Director or designee. Bilingual pay will be at the rate of one hundred fifty dollars (\$150.00) per pay period. An employee receiving Bilingual pay is required to perform translation services during normal working hours.

SECTION 3: BENEFITS

Article A: GROUP HEALTH, LIFE AND LONG-TERM DISABILITY INSURANCE

1. Eligibility: All persons heretofore described as being eligible for group health and long-term disability insurance may, after initial employment may from the first day of the month following employment, enroll in the City's group health insurance plan, which includes dental, vision, life insurance, and long-term disability insurance plan, provided such employee is not excluded from enrollment by conditions of the Group Health Plan Document.
2. City and Employee Share of Premium:
 - a. The City shall pay the entire premium for group health and life insurance for each employee and for the employee's eligible dependents for employees hired on or before June 30, 2006.
 - b. For employees hired on or after July 1, 2006 the City shall pay the entire premium for group health and life insurance for each employee and seventy-five percent (75%) of the actuarially determined premium for the employee's eligible dependents enrolled in the City's plan and employees shall pay twenty-five percent (25%) of the monthly group health insurance premium for their eligible dependents.
 - c. The City shall pay one-hundred percent (100%) of the total premium for the basic long-term disability plan offered by the City. Additional premium for any "buy-up" to the plan is the employee's responsibility.

- d. The City will provide health care coverage and shall pay one hundred percent (100%) of the health care premiums for the spouse and/or dependent child(ren) of any employee who is killed in the line of duty and who has said spouse and/or dependent child(ren) covered under the City's group health plan on the date of the employee's death. The City shall pay such health care premiums as required by Nevada law, including but not limited to NRS 287.021.

For the purposes of this section, "killed in the line of duty" means the employee died from injuries sustained or an incident that occurred while the employee was (1) in a paid, on-duty status not including standby pay; or (2) in an unpaid status but the employee identified themselves as a police officer in an effort to intervene in a violent crime that posed an imminent threat of death or substantial bodily injury to any person.

3. Status While on Leave of Absence: An employee on Leave of Absence from the City may continue to carry the City group health insurance policy and long-term disability policy by making full premium payment in compliance with applicable federal regulations.
4. Long-Term Disability Insurance Upon Separation from City Service: Employees who separate from City service may be eligible to convert the long-term disability coverage through the insurance company. The individual is responsible for one-hundred percent (100%) of the premium cost and shall pay the premium directly to the insurance company.
5. Group Health Care Committee: The purpose of this Committee is to discuss cost containment measures and to recommend to the City Council any benefit changes to the City's self-insured Group Health and Life insurance plan.

The Committee shall be comprised of one (1) voting member and one alternate member from each of the following represented groups:

- Operating Engineers (OE3)
- Sparks Police Protective Association (SPPA)
- International Association of Firefighters (IAFF)

The Committee shall also be comprised of one non-voting member and one alternate member from each of the following represented and non-represented groups to provide input to voting members:

- Operating Engineers Supervisory Unit
- Confidential
- Management Professional/Appointed
- Classified Chief Officers

One (1) retired employee and alternate will serve to provide input on the effect of any changes upon retirees.

The Committee Chairperson and Vice-chairperson will be appointed by the City Manager and will not have a vote on the Committee.

The voting member of each recognized bargaining unit shall have the authority to bind said bargaining unit to any modification in benefits recommended to the City Council subject to ratification of at least two (2) of the voting members (OE3, SPPA, IAFF). Any two (2) of the listed three (3) bargaining units can bind the remaining bargaining units to changes to the City's self-insured Group Health and Life insurance plans. Any modification in benefits agreed to by the City Council on recommendation of the committee shall be binding upon each represented and non-represented group.

Article B: HEALTH INSURANCE UPON RETIREMENT

1. Eligibility: If the employee has not participated in the sick leave deferred compensation conversion program outlined in Section 4 of this Article upon retirement the employee has two options:
 - a. sick leave payoff in cash; or

- b. conversion of accumulated sick leave to pay for insurance benefit premiums.

If an employee has participated in the sick leave deferred compensation conversion program, sick leave cash out for any remaining balance is the only option.

Employees who elected either sick leave cash payoff at retirement or participated in sick leave deferred compensation conversion in accordance with this Contract are not entitled to elect conversion of accumulated sick leave to pay insurance benefit premiums. Conversely, employees electing sick leave conversion to an insurance benefit are not entitled to sick leave payoff in cash.

2. Conversion of Accumulated Sick Leave: Employees qualifying for retirement under Nevada PERS with a minimum of ten (10) years of total service with the City of Sparks may elect to convert the employee's accumulated Sick Leave for the purpose of paying for future coverage on the City's group health insurance plan on a monthly basis in accordance with the following table:

Years of Service	Percentage of Sick Hours Converted
10	65%
15	75%
20	85%
22	90%
23	95%
25 or more	100%

The employee's sick leave conversion account shall be assigned a present value as of the date of retirement equal to the number of hours of accumulated sick leave times the employee's base hourly rate time the conversion percentage, at the time of retirement. The City will account for a retiree's accumulated sick leave and debit said account on a dollar-for-dollar basis.

The City will pay the retiree's group health insurance coverage so long as there is a balance of accumulated sick leave adequate to cover the monthly premium, or if the retiree has made arrangements to pay for the City coverage directly.

When a retired employee becomes eligible for Medicare coverage or other federal programs, the retiree will receive Medicare supplemental coverage so long as there is a balance of accumulated sick leave adequate to cover the monthly premium.

A surviving spouse will continue to receive medical coverage under this benefit so long as there is a balance of accumulated sick leave adequate to cover the monthly premium, or if the spouse has made arrangements to pay for the City coverage directly.

This benefit is nontransferable and does not survive the retiree except as to a surviving spouse as described above.

The fund to which the accumulated sick leave is credited does not accrue interest and does not have cash value. The City pays for the retiree's group health coverage by debiting the monthly cost of such coverage from the retiree's accumulated sick leave balance and paying the actual cost of such coverage out of the appropriate City fund.

The retiree may request an annual summary of the sick leave conversion balance.

3. **Sick Leave Cash Out Provision Upon Retirement:** As an alternative to Sick Leave Conversion, employees separating from City employment with a minimum of ten (10) years of total service with the City of Sparks, may elect a cash out of this benefit, as follows:

Years of Service	Cash-Out Percentage
10	30%
15	75%
20	85%
22	90%
23	95%
25 or more	100%

Employee may elect an annual payment of conversion dollars in annual payments that provide equal payout over time.

Maximum annual payment will not exceed twenty-five thousand dollars (\$25,000.00). Once election is made, it may not be changed. Upon death of the employee, payments cease. If the sick leave payout is nominally over the twenty-five thousand dollars (\$25,000.00), at the discretion of the Finance Director, the remaining balance may be paid.

If the account is valued at less than fifteen-thousand dollars (\$15,000.00), and cash out elected, the full amount will be paid upon termination of employment. If the sick leave payout is nominally over the fifteen-thousand dollars (\$15,000.00), at the discretion of the Finance Director, the remaining balance may be paid out.

If the employee chooses the cash out option, the employee is eligible to continue on the City's group health insurance plan for themselves and dependents. However, employee may return per NRS on any even year and pays full cost of coverage and annual payments continue as selected.

Upon a non-service related death of the employee, the employee's beneficiaries or estate will receive a on-time payment in accordance with years of service in the sick leave cash out table. At no time, will the payment exceed twenty-five thousand (\$25,000.00). After the initial payment, the payments cease.

4. **Sick leave conversion to deferred compensation:** This option is for active employees only. Upon completion of fifteen (15) years of PERS service, employees may elect to convert accumulated sick leave hours to cash and transfer it to the City's qualified deferred compensation program. The following conditions apply:
- At no time shall the conversion reduce the hours of the employee's sick leave bank below eight hundred thirty (830) hours.
 - The annual transfer cannot exceed \$10,000 and will be calculated using the employee's then current hourly rate of pay multiplied by the number of hours being converted. It is the employee's responsibility to complete the proper paperwork with the deferred compensation vendor to ensure the proper IRS limit is applied.
 - If the employee chooses the sick leave deferred compensation conversion program in any year, the employee is eligible to continue on the City's group health insurance plan for themselves and dependents at retirement.
 - An election to participate in the sick leave deferred compensation conversion program must to be made annually. The election must be received by Payroll by the last pay period in January to be paid the last pay period in February.
 - At retirement, the remaining balance of the sick leave bank will be subject to the sick leave cash-out provision section of the contract.
5. **Benefits upon Retirement:** The following provisions apply to employees who retire under this Agreement after the date this Agreement is ratified by both parties, and who qualify for retirement benefits under Nevada PERS:

- a. The City will pay each qualifying retiree with at least twenty (20) years of City service an annual gross stipend equal to twelve (12) times seventy percent (70.0%) of the monthly group health insurance premium rate in effect on July 1 of each year for "Retiree Plus Spouse" until the retiree reaches the eligibility age for Medicare benefits. The annual stipend shall be prorated by month in the year that the employee retires, beginning with the first full month after the employee's retirement date. When the retired employee reaches the eligibility age for Medicare benefits, the City will pay the qualifying retiree an annual gross stipend equal to twelve (12) times forty percent (40.0%) of the monthly group health insurance premium rate in effect on July 1 of each year for "Retiree Only with Medicare." The annual stipend shall be prorated by month in the year that the retiree reaches the age of Medicare eligibility.
- b. The City will pay each qualifying retiree with at least fifteen (15) years of City service an annual gross stipend equal to twelve (12) times sixty percent (60.0%) of the monthly group health insurance premium rate in effect on July 1 of each year for "Retiree Only" for retirees who are not yet eligible for Medicare. The annual stipend shall be prorated by month in the year that the employee retires, beginning with the first full month after the employee's retirement date. When the retired employee reaches the eligibility age for Medicare benefits, the stipend shall cease, provided that the annual stipend shall be prorated by month in the year that the retiree reaches the age of Medicare eligibility.
- c. This annual stipend is for the purpose of the retiree paying premiums for medical, dental, vision, life, and/or any other insurance plan that the retiree chooses. The retiree may use the stipend to pay for the City's group health insurance plan premiums but is not required to do so. Article D: USE OF LEAVE DURING A HEALTH EMERGENCY

A health emergency is any event during which the United States, State of Nevada, Washoe County, and/or City of Sparks declare(s) an emergency caused by a health concern that impacts the City and its employees. During a health emergency, the City will comply with any relevant local, state, and/or federal guidance that the City determines is applicable to establish protocols to protect the health and safety of its workforce and the public.

When a health emergency relates to a communicable illness, an employee who is exposed or potentially exposed to the communicable illness that is the subject of the health emergency (illness), the City may require the employee to remain away from work in order to self-isolate and/or quarantine in accordance with the City's protocols and applicable local, state, and/or federal guidance.

During any period of required self-isolation and/or quarantine, an employee who is able to work from home and whose duties allow them to work from home will be allowed to work from home. If an employee is unable to work from home, the employee will be placed on administrative leave while he or she is required to self-isolate and/or quarantine. When an employee is placed on administrative leave to self-isolate and/or quarantine, the following rules apply:

1. Where the exposure or potential exposure to the illness occurred on duty, the employee will be placed on paid administrative leave for the duration of the required period of self-isolation and/or quarantine. In the event federal and/or state law provides for any additional leave specific to the health emergency, any period of paid administrative leave will be counted against such additional leave to the extent permitted by law.
2. Where the exposure or potential exposure to the illness occurred off duty, the employee will be placed on unpaid administrative leave for the duration of the required period of self-isolation and/or quarantine. An employee placed on unpaid administrative leave under this Article may elect to use any accrued sick leave the employee has available in order to receive pay during the required period of self-isolation and/or quarantine. If the employee exhausts his or her available sick leave while self-isolating or quarantining, he or she may elect to apply any other leave(s) in lieu of sick leave in the following order: compensatory time, administrative/personal leave, annual leave. In the event federal and/or state law provides for any additional leave specific to the health emergency, the employee may use such additional leave in order to receive pay during the required period of self-isolation and/or quarantine to the extent permitted by law.

For the purposes of this Article only, an employee who complies with the City's health and safety protocols and is exposed or potentially exposed to the illness at work will be rebuttably presumed to have been exposed or potentially exposed to the illness while on duty. Any claimed on-duty exposure or potential exposure to the illness must be reported to the employee's supervisor immediately so that the City may take immediate steps to combat further exposure to the illness.

An employee who fails to comply with the City's health and safety protocols, including but not limited to any travel restrictions, social distancing restrictions, or reporting requirements, which are in effect at the time of exposure or potential exposure, will be rebuttably presumed to have been exposed or potentially exposed to the illness while off duty. To overcome this presumption, an employee must show, by clear and convincing evidence, that his or her exposure or potential exposure to the illness occurred while the employee was on duty and acting in compliance with the City's health and safety protocols. The Deputy Police Chiefs and the City recognize and agree that in order to protect the health and safety of employees and the community, it is imperative that employees comply with the City's health and safety protocols, and any employee who fails to comply with the City's health and safety protocols waives his or her right to seek paid administrative leave under this provision.

Paid administrative leave under this Article shall not be construed to have any effect on or relevance to any determination of eligibility for industrial insurance benefits.

In order to receive this payment, one-third (1/3) of the cost of the current, full, regular pay must be charged first to an employee's sick leave bank until it is exhausted to a zero (0) balance, and second to an employee's annual leave bank until it is exhausted to a zero (0) balance.

If an employee is promoted during any fiscal year to a position that carries additional Personal Leave days, said employee will receive the larger number of days for that fiscal year. In no case, however, shall an employee receive more Personal Leave days than their current position has been assigned by the Department Director.

ARTICLE J: PAID PARENTAL LEAVE

Subject to the requirements and limitations in this Article, employees covered by this Resolution who are eligible for leave under the Family and Medical Leave Act (FMLA) are eligible for up to one hundred sixty (160) hours of paid parental leave following the birth of a child of the employee or the placement of a child with an employee for adoption or foster care.
