

The City of Sparks is switching their Third Party Administrator (TPA) from Hometown Health to UMR. As we get ready to make the change, we want to provide you with some resources. First off, let's help you find a provider.

In order to find your provider, follow the below steps:

1. Visit <https://provider.umar.com/find-a-provider>
2. Select Find a Provider

A screenshot of the UMR website's "Find a provider" page. The UMR logo is in the top left. Navigation links for "Member", "Employer", "Provider", "Partner", and "Broker" are in the top right. A dark blue navigation bar contains "Home", "Find a provider" (highlighted with a red box), and "Form center". Below this bar, a breadcrumb trail shows "Home > Find a provider". The main content area is titled "Search by" and has two radio buttons: "Medical" (selected) and "Dental". Below these is a search input field containing the text "unitedhealthcare choice plus network" (highlighted with a red box) and a magnifying glass icon. To the right of the input field is a dark blue "Search" button. A dropdown menu is open below the search field, showing two options: "UnitedHealthcare Choice Plus Network (English)" and "UnitedHealthcare Choice Plus Network (Spanish)". The word "Network" is partially visible on the left side of the dropdown menu.

4. After you enter the provider network and select the “search” option, more information will appear below the search section, to include a “view providers” option (see below).
